INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Keepers of the Wild
Valentine, Arizona

Report on the Financial Statements

I have audited the accompanying statement of financial position of Keepers of the Wild (an Arizona nonprofit corporation) as of December 31, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, which collectively comprise Keepers of the Wild’s basic financial statements as listed in the table of contents.

Management’s Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

My responsibility is to express opinions on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinions.
Opinions

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Keepers of the Wild, as of December 31, 2020, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

In accordance with United States Government Auditing Standards, I have also issued a report dated June 23, 2021, on my consideration of Keepers of the Wild’s internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with United States Government Auditing Standards and should be considered in assessing the results of my audit.

Joel D. Huber, CPA, P.C.

</tbody>
</table>

See accompanying notes to the financial statements.
NOTE 1 - ORGANIZATION

The Keepers of the Wild, located in Valentine, Arizona, is a non-profit organization that protects and cares for exotic animals that have been either neglected or abused.

The organization has received a letter of determination from the Internal Revenue Service exempting it from federal income taxation under IRC section 501(c)(3), and classifying it as other than a private foundation.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

Assets, liabilities, support, revenue and expenses are recognized using the accrual basis of accounting.

RECOGNITION OF DONOR RESTRICTED SUPPORT

Support that is restricted by the donor is reported as an increase in unrestricted net assets if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

PROPERTY AND EQUIPMENT

Property and equipment are recorded at cost. Depreciation is recorded and computed using the straight-line method over the estimated useful life of each asset.

DONATIONS

Donated materials, fixed assets and investments are recorded at fair-market value when received.

Donated services, when applicable, are recorded at fair market value as contributions and expense when the following criteria are met:

(1) The services received create or enhance nonfinancial assets or require specialized skills. Those services requiring specialized skills are performed by professionals possessing the necessary skills and would typically need to be purchased if not provided by donation.
NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

(2) There is a clearly measurable basis for the amount recorded. Management tracks the number of volunteer hours contributed and multiplies the number of hours by an hourly rate customary to the service performed. This calculation is the amount of volunteer service contribution revenue and expense recorded in the financial statements.

USE OF ESTIMATES

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

CASH EQUIVALENTS

For the purposes of the statement of cash flows, Keepers of the Wild considers cash in operating bank accounts, money market accounts, cash on hand and certificates of deposit with original maturities of 90 days or less to be cash or cash equivalents.

FAIR VALUE OF FINANCIAL INSTRUMENTS

Unless otherwise indicated, the fair values of all reported assets and liabilities which represent financial instruments (none of which are held for trading purposes) approximate the carrying values of such amounts.

NOTE 3 - INVENTORY

Inventory consists of gift shop novelty items that are sold to tourists or others interested in visiting Keepers of the Wild. Inventory balances are recorded at cost and adjustments to the financial statements are posted each period to reconcile the inventory counts with the period ending inventory balances on the financial statements.
NOTE 4 - PROPERTY AND EQUIPMENT

The following classes of property and equipment are reflected in the accompanying financial statements at December 31, 2020:

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>Buildings, habitats, land and improvements</td>
<td>$2,460,655</td>
</tr>
<tr>
<td>Equipment, fixtures and vehicles</td>
<td>$951,801</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$3,412,456</strong></td>
</tr>
</tbody>
</table>

Less Accumulated Depreciation

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Total</strong></td>
<td><strong>(1,800,553)</strong></td>
</tr>
</tbody>
</table>

$1,611,903

Depreciation expense for the year ended December 31, 2020 was $196,177.

NOTE 5 - ECONOMIC DEPENDENCY

Keepers of the Wild receives a substantial amount of its support from tours and various individual donations. A significant reduction in the level of support from these sources may have a material effect on Keepers of the Wild’s ability to maintain continuing operations.

NOTE 6 - CONCENTRATION OF CREDIT RISK

The financial instruments that potentially subject the Company to credit risk consist principally of cash. The Company maintains cash balances at a well respected financial institution. Deposits not to exceed $250,000 for each institution are insured by the Federal Deposit Insurance Corporation.

NOTE 7 - NOTES PAYABLE

The company is obligated under two 5 year notes with local banks for equipment purchased. One note interest rate is .38% per annum and the original balance of the note was $25,435. Payments in the amount of $1,345 are due monthly. The other note interest rate is 1.9% per annum and the original balance of the note was $45,512. Payments in the amount of $1,119 are due monthly. The estimated future minimum payments at December 31, 2020 are as follows:

<table>
<thead>
<tr>
<th>Year ending December 31:</th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td>2021</td>
<td>$29,583</td>
</tr>
<tr>
<td>2022</td>
<td>24,192</td>
</tr>
<tr>
<td>2023</td>
<td>13,430</td>
</tr>
<tr>
<td>2024</td>
<td>6,715</td>
</tr>
<tr>
<td>2025 and thereafter</td>
<td>0</td>
</tr>
<tr>
<td><strong>Total note payable</strong></td>
<td>73,920</td>
</tr>
<tr>
<td><strong>Less: interest</strong></td>
<td>(2,973)</td>
</tr>
<tr>
<td><strong>Present value of note payable</strong></td>
<td>$70,947</td>
</tr>
</tbody>
</table>

Interest expense associated with the notes totaled $2,242 for the year ended December 31, 2020.
NOTE 8 - NOTES PAYABLE TO RELATED PARTIES

At December 31, 2019 the company owed $79,309 to Jonathan Kraft, the Executive Director and organizer of Keepers of the Wild. The company also owed $17,000 to Cathy Kraft. These notes payable were paid off during the year ended December 31, 2020. They did not carry specific interest or principal payback terms. Generally, as the company has additional sources of cash available from sales of fixed assets or restricted donations, then the notes will be paid back to the holders. The sale of fixed assets allowed the payback of both related party notes as of December 31, 2020.

NOTE 9 - PRIOR PERIOD ADJUSTMENT

At December 31, 2020 the company recorded a prior period adjustment of $18,955 as a credit to unrestricted net assets and a debit to accounts payable. This represented an amount that had been paid in expenses by the company’s fundraising partner but had not been recorded as an accounts payable in the prior period.

NOTE 10 - RELATED PARTIES

As reported above, the company owed note payable balances to two related parties, Jonathan Kraft and Cathy Kraft. Both notes payable were paid back in full as of December 31, 2020. Specific payback terms were not established, except that the notes needed to be paid back when cash became available.

NOTE 11 - SUBSEQUENT EVENTS

Management has evaluated subsequent events thru June 23, 2021, the date the financial statements were issued. In early 2019, an outbreak of the novel strain of coronavirus (COVID-19) emerged globally. As a result, there have been mandates from federal, state and local authorities resulting in an overall decline in economic activity. The ultimate impact of COVID-19 on the financial performance of this entity is not reasonably estimable at this time.

As a 501(c)(3) non-profit organization and wildlife park, Keepers of the Wild relies heavily on individual donations and foot traffic to sustain our income. COVID-19 hit during the peak season (spring), which resulted in a total loss of park visitors for a period of about a week. After that, foot traffic began to slowly pick up to about an eighth of the usual traffic, and it has remained at approximately half the occupancy typically seen throughout the year.

Because of the loss of park traffic, management applied for the Payroll Protection Plan SBA Loan (PPP) through National Bank of Arizona, their usual operating bank. Keepers of the Wild was awarded $130,900, which has significantly helped keep the staff on full-time, an imperative component to the continued care of the animals and the ability to keep the park open. The loan has been used almost exclusively for payroll. The loan has since been forgiven by the federal government.

In addition to the PPP loan, fundraising efforts have increased in an attempt to help offset some of the loss in revenue experienced due to the implications of the COVID-19 pandemic.
SPECIAL AUDIT REPORT
INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Keepers of the Wild
Valentine, Arizona

I have audited the financial statements of Keepers of the Wild as of and for the year ended December 31, 2020, and have issued my report thereon dated June 23, 2021. I conducted my audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing my audit, I considered Keepers of the Wild’s internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Keepers of the Wild’s internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the Company’s internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the organization’s ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the organization’s financial statements that is more than inconsequential will not be prevented or detected by the organization’s internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the organization’s internal control.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. I did not identify any deficiencies in internal control over financial reporting that I consider to be a material weakness, as described above.
Compliance and Other Matters

As part of obtaining reasonable assurance about whether Keepers of the Wild’s financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under United States Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Joel D. Huber, CPA, P.C.
Mesa, Arizona
