## **INDEPENDENT AUDITOR'S REPORT**

The Board of Directors  
Keepers of the Wild  
Valentine, Arizona

### **Opinion**

I have audited the accompanying statement of financial position of Keepers of the Wild (an Arizona nonprofit corporation) as of December 31, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, which collectively comprise Keepers of the Wild's basic financial statements as listed in the table of contents.

In my opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of Keepers of the Wild, as of December 31, 2022, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. I am required to be independent of Keepers of the Wild and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Responsibility of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Keepers of the Wild's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibility for the Audit of the Financial Statements**

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error,

as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Keepers of the Wild's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Keepers of the Wild's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that I identified during the audit.

#### **Other Reporting Required by Government Auditing Standards**

In accordance with *United States Government Auditing Standards*, I have also issued a report dated May 22, 2023, on my consideration of Keepers of the Wild's internal control over financial reporting and my tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *United States Government Auditing Standards* and should be considered in assessing the results of my audit.

See accompanying notes to the financial statements.

**KEEPERS OF THE WILD**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**NOTE 1 - ORGANIZATION**

The Keepers of the Wild, located in Valentine, Arizona, is a non-profit organization that protects and cares for exotic animals that have been either neglected or abused.

The organization has received a letter of determination from the Internal Revenue Service exempting it from federal income taxation under IRC section 501(c)(3), and classifying it as other than a private foundation.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Under this method, revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Company and changes therein are classified and reported as follows:

Without Donor Restrictions – Net assets that are not subject to donor-imposed or legal stipulations.

With Donor Restrictions – Net assets subject to donor-imposed stipulations that may or will be met by actions of the Company. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

**Cash and Cash Equivalents**

For purposes of the statement of cash flows, all highly liquid investments with maturity of three months or less when purchased are considered cash equivalents.

**Property and Equipment**

Property and equipment are recorded at cost. Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of an asset including land and land improvements with a cost greater than \$3,000 and other assets with a value greater than \$600 are capitalized. Expenditures for maintenance and repairs are charged to expense. When equipment is retired or sold, the cost and related accumulated depreciation are eliminated from the accounts and the resultant gain or loss is reflected in income.

Depreciation is computed on the 150 double declining or straight-line method over the estimated useful lives of the assets which range from five to thirty nine years.

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets.

**KEEPERS OF THE WILD**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**Property and Equipment (continued)**

The factors considered by management in performing this assessment include current operating results, trends and prospects, the manner in which the property is used, and the effects of obsolescence, demand, competition, and other economic factors. Based on this assessment, there was no impairment at December 31, 2022.

**Concentration of Credit Risk**

Financial instruments that potentially subject the Company to concentration of credit risk consist principally of cash and cash equivalents, demand deposits with banks and all highly liquid investments with original maturities of three months or less. The Company maintains all of its cash balances with two financial institutions. Cash accounts are insured by the Federal Deposit Insurance Corporation (FDIC) for up to \$250,000 per financial institution. The Company has not experienced, nor do they anticipate, any losses with respect to such accounts. At December 31, 2022, cash and cash equivalents exceeded federally insured limits by \$252,408.

**Donations**

Donated materials, fixed assets and investments are recorded at fair-market value when received.

Donated services, when applicable, are recorded at fair market value as contributions and expense when the following criteria are met:

- (1) The services received create or enhance nonfinancial assets or require specialized skills. Those services requiring specialized skills are performed by professionals possessing the necessary skills and would typically need to be purchased if not provided by donation.
- (2) There is a clearly measurable basis for the amount recorded. Management tracks the number of volunteer hours contributed and multiplies the number of hours by an hourly rate customary to the service performed. This calculation is the amount of volunteer service contribution revenue and expense recorded in the financial statements.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of certain contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Actual results could differ from those estimates.

**Income Tax Status**

The Company is exempt from Federal and State income taxes under section 501(c)(3) of the Internal Revenue Code, as amended. However, income from certain activities not directly related to the Companies tax-exempt purpose may be subject to taxation as unrelated business income. For the year ended December 31, 2022, all of the Companies income was either from activities related to its exempt purpose or excludable from unrelated business income by the Internal Revenue Code. In addition, the Company qualifies for the charitable contribution deduction under section 170(b)(1)(A) and has been classified as an organization other than a private foundation under section 509(a)(2).

The Company follows guidance issued by the Financial Accounting Standards Board (“FASB”) related to accounting for income tax uncertainties. Under this guidance, the Company accounts for the effect of any uncertain tax positions based on whether it is “more-likely-than-not” that the position will be sustained by the taxing authority upon examination. The Company routinely evaluates potential uncertain tax positions. The Company has identified its status as an exempt

**KEEPERS OF THE WILD**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**Income Tax Status (continued)**

organization as a tax position; however, the Company has determined that such a tax position does not result in an uncertainty that requires recognition.

**Functional Expenses**

The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis.

**NOTE 3 - INVENTORY**

Inventory consists of gift shop novelty items that are sold to tourists or others interested in visiting Keepers of the Wild. Inventory balances are recorded at cost and adjustments to the financial statements are posted each period to reconcile the inventory counts with the period ending inventory balances on the financial statements.

**NOTE 4 - PROPERTY AND EQUIPMENT**

The following classes of property and equipment are reflected in the accompanying financial statements at December 31, 2022:

Buildings, habitats, land and improvements	\$ 2,498,792
Equipment, fixtures and vehicles	<u>1,132,729</u>
	\$ 3,631,521
Less Accumulated Depreciation	<u>(2,118,361)</u>
	<u>\$ 1,513,160</u>

Depreciation expense for the year ended December 31, 2021 was \$ 169,921.

**NOTE 5 - ECONOMIC DEPENDENCY**

Keepers of the Wild receives a substantial amount of its support from tours and various individual donations. A significant reduction in the level of support from these sources may have a material effect on Keepers of the Wild's ability to maintain continuing operations.

**NOTE 6 - NOTES PAYABLE**

The company is obligated under two 5 year notes with local banks for equipment purchased. One note interest rate is .38% per annum and the original balance of the note was \$79,518. Payments in the amount of \$1,345 are due monthly. The other note interest rate is 1.9% per annum and the original balance of the note was \$64,013. Payments in the amount of \$1,119 are due monthly. The estimated future minimum payments at December 31, 2022 are as follows:

**KEEPERS OF THE WILD**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2022**

**NOTE 6 - NOTES PAYABLE (continued)**

Year ending December 31:	
2023	\$ 24,080
2024	0
2025	0
2026	0
2027 and thereafter	<u>0</u>
Total note payable	24,080
Less: interest	<u>(421)</u>
Present value of note payable	<u><u>\$ 23,659</u></u>

Interest expense associated with the notes totaled \$1,276 for the year ended December 31, 2022.

**NOTE 7 - PRIOR PERIOD ADJUSTMENT**

At December 31, 2022 the company recorded a prior period adjustment of \$596 as a credit to unrestricted net assets and a debit to receivables. This amount was recorded to reconcile the actual receivables from the outside fund-raiser for the Company to the revenue recorded in the prior period.

**NOTE 8 - SUBSEQUENT EVENTS**

In preparing the financial statements, the Organization's management has evaluated events and transactions for potential recognition or disclosure through May 22, 2023, the date the financial statements were available for issuance.

## **INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Directors  
Keepers of the Wild  
Valentine, Arizona

I have audited the financial statements of Keepers of the Wild as of and for the year ended December 31, 2022, and have issued my report thereon dated May 22, 2023. I conducted my audit in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

### **Internal Control Over Financial Reporting**

In planning and performing my audit, I considered Keepers of the Wild's internal control over financial reporting as a basis for designing my auditing procedures for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Keepers of the Wild's internal control over financial reporting. Accordingly, I do not express an opinion on the effectiveness of the Company's internal control over financial reporting.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect misstatements on a timely basis. A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the organization's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles, such that there is more than a remote likelihood that a misstatement of the organization's financial statements that is more than inconsequential will not be prevented or detected by the organization's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statements will not be prevented or detected by the organization's internal control.

My consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. Given these limitations, during my audit I did not identify and deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Keepers of the Wild's financial statements are free of material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit and, accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance that are required to be reported under *United States Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Joel D. Huber, CPA, P.C.

Mesa, Arizona
